## Welcome Message

Dear Friends & Colleagues

First we would like to thank you for tremendous response to SPINE WEEKEND 2022. We planned and executed it to best of our abilities and from the feedback we received, it was well appreciated by everyone.

One of the best advices that Dr. K.H.Sancheti always gave was that we should strive 'To Be Better Tomorrow, Everyday' and we intend to channelise SPINE WEEKEND through this. SPINE WEEKEND 2024 will be better and grander than SPINE WEEKEND 2022 in every aspect of the words.

The Theme of SPINE WEEKEND 2024 will be "Current concepts in MIS Spine , UBE , Full Endoscopic Spine" with an intention to cater to basic and advanced Spine Surgeries. Again the main theme of SPINE WEEKEND 2024 will be to highlight on Latest trends in Endoscopic spine , Current concepts in MIS spine , Basics of UBE , Basics of Uni Portal endoscopic , Spine boot camp, Learning sessions on Navigation, Bone scalpel, Microscope, Burr, Neuro Monitor. SPINE WEEKEND 2024 cater to basic and advanced Spine Surgeries all under one roof with 6 LIVE SURGERIES and 6 RECORDED VIDEO SURGERIES.

As we always believe Faculty is the key to any conference and for SPINE WEEKEND 2024 we have the best faculty from across the country who will be available to the delegates for all two days of the event to interact and discuss.

This is the 10th edition of SPINE WEEKEND and has come a long way. Pune as an academic destination has been unmatched and we are committed to put forward the best academic program for our delegates. We invite you to join us in Pune for an enriching experience that will undoubtedly enhance your clinical practice and professional network. Together, let's explore the forefront of Spine Surgery and shape the future of our discipline.

We look forward to welcoming you all for this amazing event.

Warm Regards
